

# NIBBLES FROM THE BUNNIES

APRIL 2018

## CLASSROOM HIGHLIGHTS

What a colorful month in the Bunny Room. After Red week we continued our colors theme with Orange, then Yellow, Green, Blue and Purple. On the bulletin board the rainbow garden is a collection of all the artwork for each color week. We enjoyed many fun activities and some favorites included, singing color songs, mixing colors to make orange, green and purple, eating Jello Jigglers. We also enjoyed scooping and pouring colored water in the sensory table. We learned and played a new group game called "I Spy" where children search for items in the Bunny room of a specific color to share at group. After rainbow week our upcoming themes will be "Spring" and then on to our "Earth Week" theme.

## TIDBITS

Are you having trouble with transitions at home? Is your child not cooperative when it is time to leave the house? Check out the article, "How to Help Your Child Transition Smoothly Between Places and Activities" on the sign in/out table.

## NOTES

We welcome our new student Allison to the Bunny Room.  
Thank you for all your support with the TCW fundraiser. We look forward to some fun STEM equipment for our school. A special thanks to all those who helped make this a huge success.

## REMINDERS

The Children's Way closes for April break at the end of school on Friday, April 13th and reopens Monday, April 23th. We hope you have an enjoyable and restful vacation.
