

# NIBBLES FROM THE BUNNIES

MARCH 2018

## CLASSROOM HIGHLIGHTS

February was a busy month in the Bunny Room. We worked hard on getting ourselves dressed for outdoor play on some of those chilly days. We enjoyed our playground time by climbing on some giant snow balls that our Turtle Class friends made. We are now ready for some warmer weather.

During free play in the classroom children have been engaging in dress up play while working on their social skills and having fun.

The Bunnies have been cooking up a storm on our pretend kitchen serving breakfast, lunch and dinner to their classmates and teachers.

During the month of March we will continue to explore the colors of the rainbow.
