

WELCOME TO THE 2017-2018 SCHOOL YEAR AT TCW!

August 2017

Dear Parents,

On behalf of the entire TCW Staff, I am excited to welcome you to the 2017-18 school year! I'm excited to be starting my third year as director and understand the decision about where to educate your child for his/her first school experience is a very important one. We feel honored that you've chosen The Children's Way and privileged to share this precious year of growth and discovery with you and your child(ren). TCW is a joyful, thriving community of children, parents, extended family members, caregivers, teachers and staff, where our daily interactions reflect mutual respect and caring. We strive to meet each child, the whole child, right where they are and help them grow to the next level in all areas of development. This happens in a very personalized, developmental, and innovative and holistic way, supported by a collaborative team approach. You are an integral part of this team and we are committed to fostering trust as we learn and work together. Our staff of exceptional professionals is ready to meet you and your child as we begin this formative journey. "Wonder is the beginning of wisdom", so here's to a year full of wonder, learning, connection, and collaboration.

Welcome to the TCW family... WE ARE BETTER TOGETHER!

Respectfully, Katy

INFORMATION ABOUT THE NEW SCHOOL YEAR

STAFF UPDATE:

The longevity of most of our teachers creates an invaluable continuity that enables us to build upon teamwork and successes and move seamlessly from year to year. We are very fortunate that our entire staff is returning this year, with one exception. Anna Lefevre-Levy, who was a teaching Assistant in the Giraffe Class, has headed back to California to live. We are grateful for her time @ TCW and wish her the very best!

CLASSROOM ASSIGNMENTS:

Your child's class list is attached. Please note that the names of your child's teachers are at the top of the page. Within the next week, you'll receive a note from the teachers welcoming you and your child to the classroom.

REMINDER: THE CHILDREN'S WAY IS A CELL PHONE FREE ZONE

Multi-tasking has become so second nature to us that it is easy to lose sight of the extent to which cell phones have invaded our personal and family time.

WE THANK YOU AND YOUR CHILD WILL THANK YOU FOR RESPECTING THIS POLICY!

TURNING OFF YOUR CELL PHONE WILL ENABLE YOU TO:

- be fully present with your child during the crucial transition times of drop-off and pick-up.
- focus your attention on your child's needs during these key transition times and thus, help your child's daily routines go more smoothly.
- have more opportunities to connect informally with your child's teachers and build ongoing communication
