

# **NIBBLES FROM THE BUNNIES**

**OCTOBER 2017**

## **CLASSROOM HIGHLIGHTS**

It has been an exciting and busy first few weeks of school in the Bunny Room. Along with learning our classmates' names, we are becoming comfortable with the morning routine. We have enjoyed painting with brushes, duplos, as well as finger painting. The children used rollers in playdough and silly putty making "cookies" to share with their new friends. In the play kitchen we took care of the baby dolls and prepared meals to eat. As we are playing with toys and want to use what our friend is using, we are learning to ask for a turn when they are done. Even though it appears to be just "play", we are working hard developing our social skills.

In October some themes we will be moving onto include Farm and Harvest while also exploring our outside environment for signs of Fall.

## **ATTENTION/REMINDER**

TCW will be closed on Monday, October 9<sup>th</sup> in observance of Columbus Day.
