

NIBBLES FROM THE BUNNIES

DECEMBER 2017

CLASSROOM HIGHLIGHTS

November was full of fun fall activities. We enjoyed the colors of fall as we walked outside, decorated fall wreaths and created turkeys using our handprints. In December we will be talking about families and sharing our holiday traditions.

TIDBITS

Have you wondered about the benefits of sand/water play? TCW's Curriculum Guide highlights these benefits.

"Through Water/Sand Play a child

*experiments with mathematical concepts of mass, volume and measurement.

*works with others in cooperative activities.

*stimulates sensory perceptions and works on small muscle coordination.

*learns to solve problems."

This past month in our sensory table we had fun with cornmeal, measuring cups and spoons, snakes and leaves and our classroom favorite has been sand.

ATTENTION/REMINDER

*Please label all outerwear with your child's name.

*Remember to check your child's spare clothes box for seasonally appropriate clothing.

*Holiday recess begins at the close of school on Friday, December 22nd and school will resume on Tuesday, January 2nd 2018.

WELCOME

In mid-December we welcome Kyrillos S. and his family to the Bunny Room.

FAVORITE ACTIVITIES

Baking Corn Muffins

Handprint turkeys

Corn cob painting

Painting with watercolors

Hammering golf tees

Kinetic sand
