

# NIBBLES FROM THE BUNNIES

NOVEMBER 2019

## CLASSROOM HIGHLIGHTS

In October, the Bunnies enjoyed all the farm, apple and pumpkin activities. Some of their favorites included painting with tractors, mixing yellow and red finger-paints to create orange pumpkins, and coring apples to make applesauce. We sang Old MacDonald and Down on Grandpa's Farm. During pumpkin week we hammered golf tees into small pumpkins. We also scooped out a large pumpkin and then carved a jack-o-lantern. The children enjoyed seeing it lit during snack time.

## TIDBITS

Do you find yourself saying "Be Careful" frequently to your child? This caution usually is not specific enough and often times may instill fear. Check out the hand out on our sign in table for more information.

## BUNNY UPDATES

We wish Athena and her family all the best as they relocate to California. We also will be welcoming Kyna and her family to the Bunny Class as well a new Bunny teacher Sara.
