

NIBBLES FROM THE BUNNIES

DECEMBER 2019

CLASSROOM HIGHLIGHTS

November was full of fun fall activities. We enjoyed the colors of fall as we walked outside, decorated fall wreaths and created turkeys using our handprints. In December we will continue with our transportation theme and share our holiday traditions.

TIDBITS

Have you wondered about the benefits of sand/water play? TCW's Curriculum Guide highlights these benefits.

"Through Water/Sand Play a child experiments with mathematical concepts of mass, volume and measurement.
*works with others in cooperative activities.

*stimulates sensory perceptions and works on small muscle coordination.

*learns to solve problems."

This past month in our sensory table we had fun with sand, water measuring cups and funnels.

ATTENTION/REMINDER

*Please label all outerwear with your child's name.

*Please check your child's spare clothes box for seasonally appropriate clothing.

*Holiday recess begins at the close of school on Friday, December 20th and school will resume on Monday, January 6th 2020.
