

# **NIBBLES FROM THE BUNNIES**

**OCTOBER 2019**

## **CLASSROOM HIGHLIGHTS**

It has been an exciting and busy first few weeks of school in the Bunny Room. Along with learning our classmates' names, we are becoming comfortable with the morning routine. We have enjoyed painting with brushes as well as finger painting. The children also used rollers in playdough and silly putty making "cookies" to share with their new friends. In the play kitchen, we took care of the baby dolls and prepared meals to eat. As we are playing with toys and want to use what our friend is using, we are learning to ask for a turn when they are done. Even though it appears to be just "play", we are working hard developing our social skills.

In October, some themes we will be moving onto include Farm and Harvest while also exploring our outside environment for signs of Fall.

## **ATTENTION/REMINDER**

TCW will be closed on Wednesday, October 9<sup>th</sup> in observation of Yom Kippur and also on Monday, October 14<sup>th</sup> for Columbus Day.
