

# NIBBLES FROM THE BUNNIES

MARCH 2020

## CLASSROOM HIGHLIGHTS

February was a busy month in the Bunny Room. We worked hard on getting ourselves dressed for outdoor play on some of those chilly days. We are now ready for some warmer weather. While in the classroom, during free play the children have been engaging dress up play, preparing pretend meals in our play kitchen, joining in on pretend picnics and working on their social skills while having fun.

During the month of March we will continue to explore the colors of the rainbow as well as learning a different shape each week.

## THANK YOU

Thank you for remembering to wear the color of the week. Each child has been proud to show off what they wore for that color.

## REMINDERS

Please see a teacher if the contact information on your emergency card has changed. In addition, please let us know if your email address needs updating.

## HAPPY BIRTHDAY

Happy birthday to Maisie and Hayes
