

Greetings Giraffe Families,

On Wednesday, November 21, TCW closes at 11:30 a.m. for the Thanksgiving break. There is no lunch or Dolphins that day. **If your child comes to school on that day, please read the following information for picking up your child/children.**

Each classroom has a specific place of where to pick up. **The Giraffe class will be picked up at the Senior Center ramp at the far end of the parking lot by the field.** We will not be in our classroom. The Turtle class will be at the same location. In order to have a smooth and safe pick up, here are the procedures:

***Please drive around the perimeter of the parking lot and pull up to the side walk where the ramp is. Once we see you in your car at the side walk, we will dismiss your child/children to you. Then you can put your child in their car seat and be on your merry way. If it is raining all the children will wait with their teachers inside the doorway. We will bring them to you as you pull up to the sidewalk.***

Since the entire school is getting dismissed at the same time, it is too confusing, and not very safe if you park your car and get out to come to the ramp.

We really appreciate you following these instructions! It is a dismissal procedure we have been doing for many years.

If you have any questions or your child will be absent that day, please let us know.

Wishing all of you and your families a wonderful holiday together!!

All the best,

Jeanne, Susan, Betsy, Mary and Dana
