

Koala News

Week of November 2nd

The Koalas continue to enjoy the Farm Theme. This week we added apples to the theme and teachers have heard many stories about kids picking apples with their families. We added pretend apples to the dramatic play area. The Koalas enjoyed feeding the apples to the baby dolls and using them in cooking pretend pies and cakes. In addition we added containers full of duplos to our construction centers. They have been such a big hit! It has been a pleasure watching the children build planes, trains, stack them, connect the rolling pieces together, and add figures to their creations.

On Monday we provided a teachable moment: we gave your children a chance to “vote” for their favorite color apple to eat and which book they wanted to hear at Group Time. We explained that voting is making a choice of what you want. They all made independent choices!

We are planning our Virtual Back to School Night for this coming Tuesday evening, November 10th, from 6:30 to 7:15pm. You will receive the Zoom invite in a separate email. During that evening we plan to do a virtual walk through of the Koala Room as well as answer any questions you may have.
