

Koala News

Week of February 22nd

Returning after February Break, the Koalas didn't miss a beat! Everyone was happy and excited to be back!

On Wednesday, we enjoyed music with Teacher Pat! The children were very excited to again use our snow wands when we sang "Snowflakes". Reaching way up high and waving them all around!

Snowflakes

Snowflakes, snowflakes

In the air

Snowflakes, snowflakes everywhere.

Snowflakes up and snowflakes down.

Snowflakes falling all around

Snowflakes, snowflakes

In the air. Snowflakes, snowflakes EVERYWHERE!

We started our color weeks theme with Red, the first color of the rainbow. We cut out a big red heart shape from our red community painting which we used big, soft paint brushes. On our bulletin board we have our "red rainbow band" complete and will continue to build on it with orange (next weeks color), yellow, green, blue and purple.

It was so nice to see so many friends wearing red on Thursday and Friday! Other activities included drawing something red in our journals, making puffy hearts and stringing red noodle necklaces.

Please continue to send in all winter outerwear. There is still snow on the playground and it's starting to get quite wet. Your children are doing really well getting dressed for outdoor play, doing more and more on their own. They love playing in the snow!

Have a great weekend!
