

Turtle Weekly  
Week of October 12, 2020

For a short week, it has been a busy one! We added a sensory walk in our classroom. It's our new favorite!!!!

Each Turtle gets multiple turns a day to follow the path around our room to practice jumping jack jumps, sideways stepping, tip toeing, and two feet jumping.

We have been having circle time under the big tent, where we do a few yoga poses and read a story. Yes, even when it was raining on Tuesday! The Turtles carry out their own towels and lay them out to sit on for circle. We have been practicing lotus, warrior 1 & 2, child's pose, and downward dog.

October has been filled with Turtle birthdays! We are able to celebrate birthdays at school with treats that are pre-package and individually wrapped. Please let us know if you are planning to send in a treat a few days before your child's birthday. Friday we celebrated Margot's birthday with popsicles.

We now have large enough ziplock bags at school to keep rest materials and towels safely at school for the whole week! On the first day of your child's school week please bring a towel and rest things (if they stay for rest). On the last day of their school week, we will send it all home! Please let me or Shayna know if you would rather have your child's rest things and towel continue to be sent home daily.

Thank you for sharing your children with us! Please let us know if you have any questions or concerns.  
Ali & Shayna
