DAILY HEALTH & WELLNESS STUDENT SCREENING

To comply with Massachusetts DESE and Board of Health guidelines, each parent/guardian/caregiver must fill out a new, completed copy of this wellness screening daily. Individuals who decline to complete the screening will not be permitted to enter school. Students and staff are required to be screened daily, upon arrival. Copies will be kept at the Town Administrator's Office or BOH.

Student's Name: _____

Today's Date: / /

A. Today, or in the past 24 hours, has the student or anyone in the household had any of the following symptoms? Please circle yes or no for each.

- 1. Fever (temperature of 100.0F or above), felt feverish, or had chills Yes No
- 2. Atypical dry cough- not due to other known causes, i.e. chronic cough Yes No
- 3. Atypical Sore throat Yes No
- 4. Shortness of breath or difficulty breathing Yes No
- 5. Gastrointestinal symptoms (diarrhea, nausea, vomiting) Yes No
- 6. Headache (when in combination with other symptoms) Yes No
- 7. New loss of smell/taste Yes No
- 8. Muscle aches or body aches..... Yes No
- 9. Fatigue (when in combination with other symptoms) Yes No
- 10. Nasal congestion or runny nose (not due to other known causes, such as allergies),when in combination with another symptom..... Yes No
- 11. Has this child been given any medicine to lower a fever? Yes No

B. In the past 14 days, has the participant or anyone in the household had contact with a known or suspected case of the novel coronavirus (COVID-19) or any undiagnosed respiratory illness? Yes No

C. In the past 14 days, has the participant or anyone in the household travelled outside of Massachusetts? (other than low risk states) Yes No

I attest that the above responses are true and accurate for the named participant. I understand that if any of the above answers are **YES**, my child will not be admitted to the program and must stay/return home with the parent or caregiver.

_____ (Parent/Caregiver signature)

***Once this form is completed, reviewed, and the student performs hand hygiene, they are allowed to enter the building.**
